

# HAVE A CUPPA FOR HEARTKIDS

HEARTKIDS HELP CHILDREN AND THEIR FAMILIES AFFECTED BY CHILDHOOD HEART DISEASE IN A VARIETY OF WAYS

## HOW YOUR DONATION HELPS:

\$25

can help our Family Support team provide free and confidential in-hospital support.

\$35

can help with Play Therapy strategies so families can manage their child's anxiety associated with multiple long term hospital admissions.

\$50

can help transport Heartkids and their parents to and from hospital for surgery and other treatment.

\$100

can help support a family with emergency accommodation while their heart kid is in hospital.

\$500+

can help fund life-saving research into the causes, treatment and prevention of childhood heart disease.

## DID YOU KNOW?

8 babies are born with a heart defect in Australia every day.

**There is no known cure.**
